REPORT OF TRUSTEES OF TRUST FUNDS

In 1954 the difficulties in getting labor for work on the Cemeteries continued to be the same problem as it has been for the last several years, making it impossible for the Trustees to give them the care which donors of the several funds have the right to expect. It was not possible to do any work in three Cemeteries.

During the year the Town purchased about 3/20 of an acre of land adjoining the New Cemetery. This area was cleared, boulders removed, rough graded and a stone wall built around it. It is the only Town owned Cemetery. Further work will be started early in the spring and will include finish grading, seeding and staking out the burial plots in accordance with a plan that has been made. The plots in the new area will be sold to provide funds for maintenance of the area. The plan may be seen by those interested in buying plots, or other interested parties, upon application to the Trustees.

The folowing is a summary of the expenditures by the Trustees during the year:

GENERAL REPORT

The Stoddard School is such a smooth running unit that there seems little to report on the school itself other than that the usual and expected progress is being made. There is a friendly and cooperative atmosphere present which is a reflection upon the teacher, Mrs. Olive Fullam.

Our High School pupils seem to be making good progress and the citizens of Stoddard should be complimented for their contributions, beyond those required by law, to make this possible.

School costs continue to mount although our registration is slightly lower. This is not to be construed that Stoddard is any different than any other community. It is the same the

country over and it appears that costs will continue to increase rather than decrease.

Your School Board has devoted long hours of time and effort to your schools and I wish to express my sincere appreciation to them for their cooperation and help as well as to the teacher and citizens of Stoddard.

Respectfully submitted,
NORMAN R. HARTFIEL,
Superintendent of Schools.
